

August 12, 2021

Stakeholders:

In accordance with its Formula Rate Protocols, GridLiance Heartland LLC (GridLiance Heartland) will hold its Annual True-Up Meeting for Rate Year 2020 (2020 True-up) on Friday, August 20, 2021.

This meeting provides an opportunity for GridLiance Heartland to explain the 2020 True-up and interested parties to seek additional information and clarification. GridLiance Heartland owns facilities under the functional control of the Midcontinent Independent System Operator (MISO) along with facilities outside of MISO.

For facilities outside of MISO functional control, the 2020 True-up and supporting documents can be found on the GridLiance Heartland website, at:
