

October 2, 2020

Stakeholders:

In accordance with its Formula Rate Protocols, GridLiance West LLC (GridLiance West) will hold a Stakeholder Meeting to review the Annual Projection for the 2021 rate year (2021 Projection) on Thursday, October 29, 2020.

This meeting provides an opportunity for GridLiance West to explain the 2021 Projection and interested parties to seek additional information and clarification. The 2021 Projection and supporting documents can be found on the GridLiance West website: <http://www.gridliance.com/gridliance-west/>

Presentation materials will be posted at the same location before the meeting.
